**Sub :- Sealing and closure of Inter-State Borders**

Sir/ Madam,

Reference above, although the main roads/ routes along the inter-state borders in the state have been sealed, reports are being received that many other subsidiary routes along the porous inter-state borders are being used by people to enter and exit the state.

2. It may be reiterated that in view of the COVID-19 lockdown, there should not be any such movement of people along the inter-state borders.

3. You may hence take urgent measures including directions to the concerned village councils along the borders to strictly monitor and extend fullest cooperation to the district administration and police in ensuring that no movement of any person take place across the inter-state borders.

4. As regard the goods vehicles carrying essential commodities they should be thoroughly checked to ensure that they are not used to ferry passengers, and the drivers and handymen should be properly screened.

5. A report of the action taken may urgently be furnished to this office.

Yours faithfully,
