Subject: Request for cell tower dump data of the 1st COVID-19 positive case in Dimapur

Sir.

We have received the "mobile footprint/ locations" of Mob No: 7005104991, the first COVID-19 positive case from Nagaland from your department regarding.

To supplement the contact tracing which the surveillance teams are doing on the ground, we would like to request you to provide the cell tower dump data of the above mentioned mobile number within a limited perimeter; from the time of his arrival in Dimapur from Kolkata on 24th March 2020, till his referral to Guwahati on 11th April 2020, as mentioned in your earlier mentioned data. This will enable us to enhance contact tracing and testing for COVID-19.

We are grateful for your support and would appreciate an early response. The data may be communicated through email mentioned below:

For any queries, contact, HFW COVID-19 Control Room:

- Mob No: 90996 07609/ 70854 44710
