Sub: REQUEST FOR PROVISION OF RAPID (ANTIBODY) TESTING KIT for COVID -19 to NAGALAND.

Madam,

As you are aware, Nagaland has reported its first positive COVID-19 case on 12<sup>th</sup> April 2020 from Dimapur. The State therefore has activated its containment plan and all necessary steps to track screen and treat the contacts and population of the area is now initiated.

In this connection, while acknowledging the all out support given to the State by Government of India, further support for Rapid (Antibody) Testing Kit is sought so as to utilize the same in the Containment zone. Our immediate minimum requirement is approx. 10,000 plus kits.

Looking forward to your kind and early intervention, please.

Yours faithfully,

(MENUKHOL JOHN)

Principal Secretary to the Govt. of Nagaland.
