GOVERNMENT OF NAGALAND
HOME DEPARTMENT
NAGALAND STATE DISASTER MANAGEMENT AUTHORITY
NAGALAND:: KOHIMA

NO.NSDMA-ER-COVID-19/301/2020 (Pt. II) Dated Kohima, the 4th August, 2020

NOTIFICATION

Subject: Standard Operating Procedure (SOP) for returnees and travellers entering Nagaland

In supersession of the Standard Operating Procedure (SOP) issued vide Notifications no.NSDMA-ER-COVID-19/301/2020 dated 1st of June 2020, and 7th of June 2020 regarding the returnees to the State, and in pursuance of the decisions taken in the meeting of the High Powered Committee held on 30th of July 2020; the SOP for returnees and travellers entering Nagaland with effect from 10th of August 2020 will be as under:

A. Designated Point of Entry and Entry Permit:

1. Any returnee/inbound traveller will be permitted only through Dimapur by Train, Air or by Road through the New Field Check Gate and the Dillai Gate; through Khuzama, Kohima district by Road, through Tsutapela and Watiyongpang, Mokokchung district by Road, through Naginimora and Tizit, Mon district by Road, and through Bhandari, Wokha district by Road.
2. Entry into the State through any other route, or by any other mode of travel will not be allowed, except under special circumstances with the approval of the Home Department.
3. For returnee/persons travelling by road, e-Pass should be obtained as per the existing system by applying on iamstranded.nagaland.gov.in website.

B. Screening and inter-district transfers:

1. All returnees/inbound travellers will be screened at the designated entry point or some other convenient location as decided by the respective District Task Force, in which the entry point is located.
2. All returnees/ inbound travellers should have installed the nCOVID Nagaland Visitors App and submitted self declaration through the App by the time of arrival. Checking of the App being installed in the returnee's/traveller's phone will be done during the screening on arrival. If the App is not yet installed, the returnee/traveller will be directed to do so and directed to the State Helpline 1800 345 0019 for any technical support.
3. All returnees/inbound travellers showing no symptom on screening at the designated entry point will be transported to the quarantine centres; and in case the returnees/inbound travellers are
bound for some other district, the District Task Force (DTF) of the destination/home district will 
arrange the transportation of the returnees/inbound travellers from Point of Entry to the 
quarantine centres in their district. In case there are very few number of returnees/travellers 
travellers bound for other district at Dimapur or Kohima, and transportation to home district 
cannot be arranged, then on mutual agreement between the DTF Dimapur/Kohima and the 
concerned DTF of the destination/home district, such returnees/inbound travellers may be kept in 
the quarantine centres in Dimapur or Kohima for undergoing quarantining, and for testing and 
subsequent release in accordance with the SOP.

4. All returnees/inbound travellers showing COVID-like symptom will be subjected to medical 
protocols. In case the returnee/inbound traveller is bound for some other district, then based on 
the fitness, will be retained in the District in which the entry point falls, or transported to the 
respective home/destination district in a separate transport facility.

5. On saturation of the quarantine centres in any district, the returnees/inbound travellers may be 
shifted to another district on mutual agreement between the District Task Force of the two 
districts.

C. Quarantine:

1. Every inbound traveller/returnee will have to mandatorily undergo institutional quarantining 
for 7 (seven) days at a facility managed and arranged by the concerned District Task Force or 
identified hotel/rest house/lodge.

2. In a quarantine centre managed and arranged by the District Task Forces, the following charge 
will apply:
   a) The quarantinee will be charged for feeding at a rate fixed by the respective District Task 
      Force.  
      OR
   b) The quarantinee may opt out and arrange own feeding from outside being delivered at the 
      quarantine facility which should be mandatorily in single use disposable containers and 
      preferably of biodegradable materials.

3. Returnees/Travellers who wish to utilize paid quarantine facility will be allowed to do so and 
   they will be subject to the same provisions of the SOP as applicable to any returnee/traveller 
   undergoing institutional quarantine.

4. The duration of institutional quarantine and discharge/release to home quarantine are subject to 
   the testing and patient condition as described below. In case there is unavoidable delay in 
   release to home quarantine after testing negative, such person shall be kept in a separate facility 
   as far as possible and in which case no retest will be required unless the person turns out to be a 
   High Risk or Low Risk contact of a confirmed case from contact tracing or the person develops 
   COVID-like symptoms in the quarantine centre.

5. For returnees/inbound travellers who are above the age of 60 years, children below the age of 10 
   years and their parents, pregnant women and accompanying spouse, and patients, they will be 
   screened on arrival with other returnees/travellers. On the advice of the medical team at the entry 
   point/ screening centre, they will be exempted from facility quarantine and will be sent for 21
(twenty one) days home quarantine. The testing of such persons will be done from the 5th to 10th day of arrival.

6. The total duration of quarantine is 21 days. For example, if a returnee/traveller is tested negative after completing 7 days in institutional quarantine, he/she will be sent for home quarantine to complete the 21 days, i.e. 7 days in quarantine centre and 14 days in home quarantine.

7. The District Task Force may continue to enlist the support and involvement of tribal bodies, Government Officers / employees associations, and faith based / community based organizations for management of quarantine centres or home quarantine, e.g. in providing food to QCs, disciplining of quarantinees, monitoring observance of home quarantine, counselling and spiritual support, etc.

8. Mandatory safety precautions in the quarantine centre:
   a) Social distancing, wearing mask, and hand and respiratory hygiene should be followed by quarantinees at all times.
   b) No visitors are allowed to meet anyone in the quarantine centre.
   c) Essential items like medicines or home food (in disposable containers) may be handed to the quarantine centre in-charge.
   d) Waste disposal by quarantinees should be done safely.
   e) Every person undergoing quarantining should be made aware by the District Task Force that unruly/delinquent behaviour/non adherence to quarantine norms on the part of anyone may lead to his/her shifting to a Police Quarantine Facility for undergoing his/her quarantine period.

NB: Masks for quarantinees should be provided at the quarantine centres.

D. Testing:

1. All returnees/inbound travellers will be tested. But unless symptomatic, returnees/inbound travellers will not be tested immediately on arrival. The testing protocol for returnees/inbound travellers is given in the table below:

<table>
<thead>
<tr>
<th>Sl. No.</th>
<th>Clinical Condition</th>
<th>When to test</th>
<th>Type of test</th>
<th>Test result</th>
<th>Follow up action</th>
</tr>
</thead>
<tbody>
<tr>
<td>1</td>
<td>Symptomatic</td>
<td>On arrival</td>
<td>Rapid Antigen Test /TrueNat / RT-PCR</td>
<td>Positive</td>
<td>COVID Care Centre or COVID Hospital.</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td>Negative*</td>
<td>Treat in Isolation Ward. Follow clinical protocol.</td>
</tr>
<tr>
<td>2</td>
<td>Asymptomatic</td>
<td>On 5th to 10th day of arrival</td>
<td>TrueNat or RT-PCR</td>
<td>Positive</td>
<td>COVID Care Centre or COVID Hospital</td>
</tr>
<tr>
<td></td>
<td></td>
<td></td>
<td></td>
<td>Negative</td>
<td>Home Quarantine to complete remaining 21 days of quarantine</td>
</tr>
</tbody>
</table>

*If Rapid Antigen Test is used, the negative result has to be re-tested by TrueNat / RT-PCR
2. Sample collection should be done in the quarantine centre. Sample Collection Centre should be increased by setting up sample collection booth in the quarantine centre or mobile sample collection van. Transporting several quarantinees in one vehicle to the sample collection centre should be avoided.

3. If there is backlog or any delay in the testing, the person in quarantine centre will have to wait for the test and be discharged only after being tested negative.

4. Routine re-test is not recommended for person in quarantine for the purpose of discharge from quarantine centre, and re-test is recommended only when there is history of exposure to a confirmed case (through contact tracing) or manifestation of COVID-like symptom while in quarantine centre.

5. COVID-19 testing will be free of cost for all returnees/inbound travelers and those High Risk or Low Risk contacts identified in contact tracing. However, it will be chargeable for the following categories:-
   a) Persons travelling outside the state who request for a test.
   b) Patient for undergoing Non-COVID treatment in the hospital (e.g. before surgical procedure or aerosol generating procedure, etc).
   c) Persons interested to know their status, subject to case load and capacity of the testing centres.
   d) 'Special categories of people entering Nagaland for urgent essential works or for unavoidable reasons', refer to SOP issued vide Notification of even number dated 17th June, 2020

6. The rate of testing will be fixed by the Government which may be revised from time to time.

E. Discharge:

1. The swab of the returnee/inbound traveller for testing will be taken on the 5th to 10th day of arrival and he/she will be discharged from quarantine centre as and when the negative test result by TrueNat or RT-PCR is received, if he/she has completed a minimum of 7 days in institutional quarantine.

2. For those who are tested positive, discharge from COVID Care Centre or COVID Hospital will be as per the discharge policy issued by Health and Family Welfare Department.

3. The medical team will provide clearance for discharge of returnee/traveller from quarantine centre or recovered patient from CCC/COVID Hospital. Thereafter it will be considered and approved for release by the District Task Force led by the Deputy Commissioner.

4. The returnee/traveller who is tested negative in quarantine centre or a patient who has recovered in a CCC/COVID Hospital will arrange his/her own transportation for going home to continue home quarantine till the 21st day.

5. The District Task Force will ensure that full details of the quarantinees being released daily and proceeding to their homes in villages/towns for undergoing Home Quarantine are made available to the concerned Hon’ble Ministers or Hon’ble Advisors who have been assigned districts to monitor vide Chief Minister’s Office Order No.CMN/34(A)/H&FW/2020 Dated, 25th March, 2020, and also to the respective District Task Forces, in case the district where the person has
undergone quarantining is different from his/her home/destination district besides the State WAR ROOM on COVID-19 / Office of the Chief Secretary.

F. Special Categories of persons/Dignitaries/Senior Government Officials:

1. The special categories of persons who need to enter Nagaland for short durations for urgent essential works or for unavoidable reasons, and the Government Servants, both State and Central, on their return to the State, who in public interest have to start discharging their duties without delay, will continue to be guided by the provisions of the SOP issued vide Notification no.NSDMA-ER-COVID-19/301/2020 dated 17th of June 2020.
2. The Dignitaries and senior Government officials, State and Central as specified by the Home Department on their entry into the State, will continue to be covered under the provisions of the SOP issued vide Notification no.NSDMA-ER-COVID-19/301/2020 dated 22nd of June 2020.

G. Military/Para Military Personnel:

H. Information regarding the paid facilities:

1. In order to provide a choice of the paid quarantine facility-hotels/lodges/rest houses, that a person intending to come to Nagaland may like to use and thereby help him/her to decide and make the travel plans accordingly, the DTFs will make arrangements for displaying the information regarding the status of availability of the various paid quarantine facilities on various dates in their districts on the website covid19.nagaland.gov.in

I. Work distribution:

1. All logistical issues such as – transportation of passengers / Identification of quarantine centres / provision of food for travelers / housekeeping management of quarantine centres – electricity, water supply, repairs, sanitation / coordination with other districts etc will be the sole responsibility of the respective District Task Force, including officers, agencies nominated by the Government or the DTF as the case may be
2. All clinical protocol such as – Screening of passengers / sample collection / testing of samples / attending to inmates in medical distress / safety protocol in QCs / issuing medical clearance from QCs / dispatch location as the case may be, or any other location will be the sole responsibility of the District Health Officials, Department of Health and Family Welfare.
3. The detailed work distribution of the various stakeholders and teams will be as in Annexure I
J. Returnee/traveller entering before 10th of August 2020:

1. Any returnee/traveller who has entered the State and commenced quarantining before 10th of August 2020, the day this SOP comes into force, will continue to be guided by the provisions of the earlier SOPs issued vide Notifications no.NSDMA-ER-COVID-19/301/2020 dated 1st of June 2020 and 7th of June 2020.
